#### SPA ARRIVAL

We recommend that you arrive at the Nitespa at least 10 minutes prior to your first scheduled appointment. This allows us time to have a brief discussion with you about your treatment and for you to fill out one of our client forms. For all body massage and treatments, it is important that you have plenty of water to help cleanse the body and flush out toxins.

Please understand that any late arrivals will not receive an extension of scheduled treatments.

#### CANCELLATION POLICY

Cancellations and no shows within 24hrs will incur a 100% charge.
